

Erratum

Drying shrinkage of alkali-activated slag and fly ash concrete;
A comparative study with ordinary Portland cement concrete

By Zhenming Li, Jiahua Liu and Guang Ye

HERON Vol. 64 (2019) No. 1/2, pp. 149-164

In the above paper, something went wrong in the editing of Figure 1 (p. 153). The correct figure is shown below.

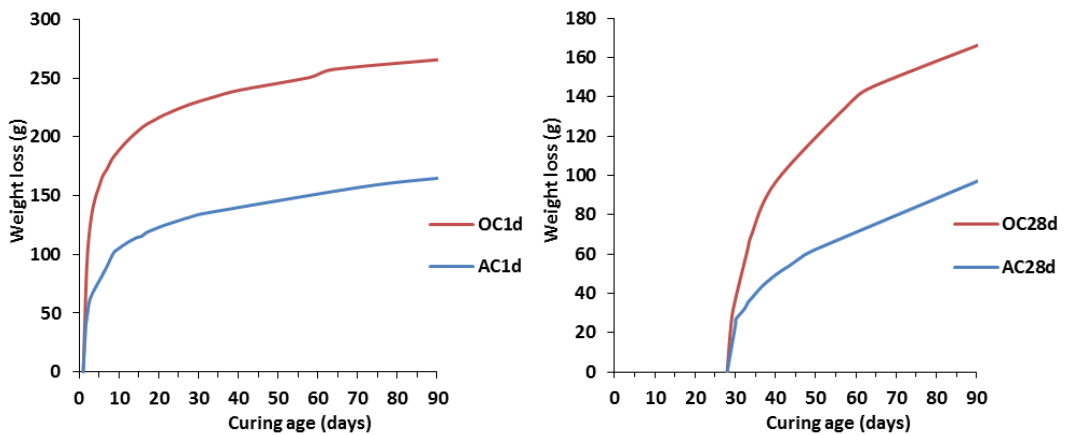

Figure 1: Weight loss of AC and OC exposed at 1 day (left) and 28 days (right)
